Policy Agreement

In return for “your” payment of the premium and subject to all the terms of this policy, “we” agree to insure “you” for the coverages and the limits of liability shown on this policy’s “Declarations” subject to the following terms.

Policy Definitions

The following defined terms appear in quotation marks when used:

- A.** “You,” “your” and “yours” refer to the “named insured” shown in the “Declarations” and his or her spouse, if a resident of the same household at the time of loss.
- B.** “We,” “us” and “our” refer to the Company providing this insurance and all affiliated corporate entities.
- C.** For purposes of this policy, a private passenger type auto shall be deemed to be owned by a person if leased or rented to that person under a written agreement for a continuous term of at least 6 months.
- D.** “Accident” means an event which is neither expected nor intended from the standpoint of the “covered person” and in which the operation, maintenance or use of a motor vehicle directly and proximately results in “bodily injury” or “property damage” as defined by this policy.
- E.** “Bodily injury” means bodily harm, sickness, or disease, including death resulting from an auto “accident” for which coverage is provided under this policy.
- F.** “Business” includes any profession, legal trade, or occupation.
- G.** “Commercial Ridesharing Program” means: an arrangement or activity through which persons or property are transported for compensation, regardless of the amount or form of compensation charged or paid and includes the time:
 - 1. Commencing when a driver of a car is available to accept transportation request for passengers or property for compensation;
 - 2. Between the driver accepting a transportation request and the passengers or property entering into or being loaded upon the auto used for this request;
 - 3. Passengers or property are in or upon the auto used for this request; and
 - 4. Between the passengers or property exiting or unloading from the car and the driver is no longer available to accept transportation requests.
- H.** “Insured Vehicle” means:
 - 1. Any vehicle shown in the “Declarations”.
 - 2. A “newly acquired vehicle”.

- 3. Any “trailer” “you” own while towed by or connected to “your” “Insured Vehicle” or any private passenger type auto.
- 4. Any “temporary substitute auto” while operated by any person listed on the “Declarations”. This provision **(H.4.)** does not apply to Coverage for Damage to Your Auto.
- I.** “Declarations” means the document showing “your” coverages, limits of liability, “Insured Vehicles”, premium, and other policy related information.
- J.** “Family member” means a person related to “you” by blood, marriage, domestic partnership, or adoption who is a resident of “your” household. This includes a ward or foster child.
- K.** “Named insured” in this policy means the person or persons listed as “Named Insured” on the “Declarations”.
- L.** “Newly acquired vehicle”:
 - 1. “Newly acquired vehicle” means any of the following types of vehicles “you” become the owner of during the policy period:
 - a.** a four wheeled private passenger motor vehicle; or
 - b.** a pickup or van, for which no other insurance policy provides coverage, that has a Gross Vehicle Weight Rating of 10,000 lbs. or less; that is not used in the “business” of any “covered person”.
 - 2. If the “newly acquired vehicle” is in addition to any shown in the “Declarations”, coverage for the “newly acquired vehicle” is provided as here described. For any “newly acquired vehicle” that is in addition to any shown in the “Declarations”, coverage shall apply for the first 30 (thirty) days after “you” acquire the vehicle, including the date of acquisition. Coverage shall be the broadest coverage “we” provide for any vehicle shown in the “Declarations.” This coverage applies only if:
 - a.** “You” acquire the additional vehicle during the policy period shown on the “Declarations”; and
 - b.** There is no other insurance policy that provides coverage for the additional vehicle.

If “you” wish to add or continue coverage “you” must ask “us” to insure the additional vehicle within 30 (thirty) days after “you” acquire the additional vehicle. Until “we” are notified of the additional vehicle, a deductible of \$1000 will be applicable to “collision” and “other than collision” (as defined under Part D of this policy) if they are shown in the “Declarations” for any listed vehicle. This 30 (thirty) days of coverage includes the date “you” acquire the vehicle. For any “newly acquired vehicle” that replaces a vehicle shown in

the "Declarations", it shall be provided the coverages and limits for the vehicle it replaced. If those coverages include "collision" and "other than collision", those coverages are afforded for only 30 (thirty) days after acquisition unless "you" notify "us" of the replacement prior to the expiration of those 30 (thirty) days.

Insuring Agreement

If "you" paid the premium for Liability Coverage, "we" will pay damages, other than punitive damages, exemplary damages or restitution orders; for "bodily injury" or "property damage" for which any "covered

person" becomes legally responsible because of an auto "accident." Damages include prejudgment interest and any court costs awarded or taxed against the "covered person." "We" have the right to investigate, negotiate, defend against and settle any claim or suit for damages as "we" consider appropriate. In addition to "our" limit of liability, "we" will pay all defense costs "we" incur. "Our" duty to settle or defend ends when the applicable limit of liability for this coverage has been exhausted by payment of any settlement, any judgment or any combination thereof. "We" have no duty to defend any suit or settle any claim for "bodily injury" or "property damage" not covered under this policy.

3. Other necessary expenses incurred at "our" request.

However, "we" will not pay any costs or expenses, including attorney fees, incurred by any person or any "covered person" because of a declaratory judgment action between that person or "covered person" and "us".

Limit of Liability

The Liability coverage Bodily Injury limit of liability as listed on the "Declarations" for Each Person is "our" maximum limit of liability for all damages, including, but not limited to, damages for treatment and care, loss of services (including loss of consortium and wrongful death), physical injury, emotional or psychological injury, pain, suffering and death, arising out of or in any manner caused by "bodily injury" sustained by any one person in any one auto "accident." Lower limits may apply in certain events.

Subject to this limit for Each Person, the Liability coverage Bodily Injury limit of liability as listed on the "Declarations" for Each "Accident" is "our" maximum limit of liability for all damages for "bodily injury" resulting from any one auto "accident." Lower limits may apply in certain events.

The Liability coverage Property Damage limit of liability as listed on the "Declarations" for Each "Accident" is "our" maximum limit of liability for all "property damage" (including, but not limited to, physical injury to, destruction of, loss of use of, and diminution in value) resulting from any one auto "accident." Lower limits may apply in certain events.

This is the most we will pay regardless of the number of:

1. "Insureds";
 2. Claims made;
 3. Vehicles or premiums shown in the Declarations; or
 4. Vehicles involved in the auto "accident."
- Lower limits may apply in certain events.

- (4) delivering;
- (5) testing;
- (6) road testing;
- (7) parking; or
- (8) storing;

This applies only if the person using the vehicle:

- (1) is operating the vehicle with the permission of the owner; and
- (2) is neither the person engaged in such "business" or that person's employee or agent; or

b. the vehicle is leased by "you" under a written lease agreement and "you" have agreed to provide coverage for the operation of the vehicle.

2. Any insurance "we" provide for a vehicle "you" own shall be excess to that of a person engaged in the "business" of:

- a. storing;
- b. parking;
- c. servicing; or
- d. repairing;

motor vehicles, if the "accident" occurs while the vehicle is in that person's possession, custody or control.

3. "We" will pay only "our" share of the loss. "Our" share is the proportion that "our" limit of liability bears to the total of all applicable limits.

No one will be entitled to receive duplicate payments for the same elements of loss under this coverage and Part B or Part C of this policy.

Out of State Coverage

If an auto "accident" to which Part A of this policy applies occurs within the policy territory, but not within the state in which "your" policy was issued, "we" will apply "your" policy as follows for that "accident":

- A. If the state, territory or province has:

Other Insurance

 - a. the vehicle is insured under a policy affording coverage to a "named insured" engaged in the "business" of:
 - (1) selling;
 - (2) repairing;
 - (3) servicing;

Additional Interest

Liability Coverage shall also apply to each additional interest named in the "Declarations" with respect to the "insured vehicle" identified with that interest. Coverage afforded to an additional interest is excess over any other valid and collectible insurance. The designation of an additional interest shall not operate to increase "our" limits of liability and provides the additional interest with no greater rights than those of the "covered person".

If the "covered person" or anyone claiming on their behalf does not agree with "our" decision, the dispute shall be resolved through binding arbitration. In this event, each party will select a competent and impartial arbitrator. The two arbitrators will state separately the usual and customary charge for reasonable expenses incurred for necessary medical and funeral services because of "bodily injury" from a covered loss. If they fail to agree, the two arbitrators will select an umpire. The arbitrators will submit their conclusions to the umpire for a selection of one of the conclusions. A conclusion agreed to by any two will be binding. Each party will:

1. Pay its chosen arbitrator; and

2. Bear the expenses of the arbitration and umpire equally.

1. Sustained by a "covered person"; and
 2. Caused by an "accident".
- The owner's or operator's liability for these damages must arise out of the ownership, maintenance or use of the "uninsured motor vehicle". Any judgment for damages arising out of a suit brought without our written consent is not binding on us.
- B.** "Covered Person" as used in this Part means:
1. "You" or any "family member".
 2. Any other person "occupying" "insured vehicle".
 3. Any person for damages that person is entitled to recover because of "bodily injury" to which this coverage applies sustained by a person described in 1. or 2. above.
- C.** "Uninsured motor vehicle" means a land motor vehicle or trailer of any type.
1. To which no bodily injury liability bond or policy applies at the time of the accident.
 2. To which a bodily injury liability bond or policy applies at the time of the accident. In this case its limit for bodily injury liability must be less than the minimum limit for bodily injury liability specified by the financial responsibility law of the state in which the "insured vehicle" is principally garaged.
 3. Which is a hit-and-run vehicle whose operator or owner cannot be identified and which hits:
 - a. "you" or any "family member";
 - b. a vehicle which "you" or any "family member" are "occupying"; or
 - c. "your" "insured vehicle";
 - d. an intermediate vehicle, which in turn strikes a person or vehicle identified in (a), (b), or (c) above in an unbroken chain of events;
 provided that "you", or someone on "your" behalf reports the accident to the police or civil authority within 24 hours or as soon as practicable after the accident.
 4. To which a bodily injury liability bond or policy applies at the time of the accident but the bonding or insuring company.

- a. Denies coverage; or
- b. Is or becomes insolvent within one year after the "accident".

However, "uninsured motor vehicle" does not include any vehicle or equipment:

1. Owned by or furnished or available for the regular use of "you" or any "family member".
2. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer which is or becomes insolvent.
3. Owned by any governmental unit or agency.
4. Operated on rails or crawler treads.
5. Designed mainly for use off public roads while not on public roads.
6. While located for use as a residence or premises.

Exclusions

- A.** We do not provide Uninsured Motorists Coverage for "bodily injury" sustained by any "covered person":
1. If the "covered person" or the legal representative settles the "bodily injury" claim and such settlement prejudices our right to recover payment.
 2. While "occupying" "your" "insured vehicle" when it is being used to carry persons or property for a fee. This exclusion (A.2.) does not apply to a share-the-expense car pool.
 3. Using a vehicle without express permission from the vehicle owner to do so. This Exclusion (A.3.) does not apply to a "family member" using "your" "insured vehicle" which is owned by "you".
- B.** This coverage shall not apply directly or indirectly to benefit any insurer or self-insurer under any of the following or similar laws.
1. Workers' compensation law; or
 2. Disability benefits law.
- C.** We do not provide Uninsured Motorists Coverage for punitive or exemplary damages or any damages other than compensatory.

Limit of Liability

- A.** The limit of liability shown in the "Declarations" for each person for Uninsured Motorists Coverage is "our" maximum limit of liability for all damages, including damages for care, loss of services or death, arising out of "bodily injury" sustained by any person in any one accident. Subject to this limit for each person, the limit of liability shown in the "Declarations" for each accident for Uninsured Motorists Coverage is "our" maximum limit of liability for all damages for "bodily injury" resulting from any one "accident". The maximum limit of liability is the most "we" will pay regardless of the number of:
1. "covered persons";
 2. Claims made; or

3. Vehicles involved in the accident.
- B.** No one will be entitled to receive duplicate payments for the same elements of loss under this coverage and Part A and Part B of this policy or any Underinsured Motorists Coverage or Personal Injury Protection Coverage provided by this policy.
- C.** "We" will not make a duplicate payment under this coverage for any element of loss for which payment has been made by or on behalf of persons or organizations who may be legally responsible.
- D.** "We" will not pay under this coverage for any element of loss if a person is entitled to receive payment for the same element of loss under any of the following or similar law:
1. Workers' compensation law; or
 2. Disability benefits law.

Other Insurance

If there is other applicable similar insurance, "we" will pay only "our" share of the loss. "Our" share is the proportion that "our" limit of liability bears to the total of all applicable limits. However, any insurance "we" provide with respect to a vehicle:

- a. "You" do not own, including any vehicle while used as a temporary substitute for "your" "insured vehicle"; or
- b. Owned by "you" or any "family member" which is not insured for this coverage under this policy;
Shall be excess over any other collectible insurance similar to the insurance provided by this endorsement.

Arbitration

If "we" and a "covered person" do not agree:

1. Whether that person is legally entitled to recover damages under Part C; or
 2. As to the amount of damages which are recoverable by that "covered person";
- from the owner or operator of an "uninsured motor vehicle" then the matter may be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction.

Each party will:

1. Pay the expenses it incurs; and
 2. Bear the expenses of the third arbitrator equally.
- Unless both parties agree otherwise, arbitration will take place in the county in which the "covered person" lives. Local rules of law as to procedures and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

Part D: Coverage for Damage to Your Auto

Insuring Agreement

If "you" pay the appropriate premium; "we" will pay, less any deductible, for sudden, direct, and accidental loss caused by "Collision" or "Other than Collision" to an "insured vehicle" or any "non-owned auto" as defined in this Part. Loss to a "non-owned auto" is only covered while operated by "you" or a "family member" with the permission of the owner of that "non-owned auto". If there is a loss to an "insured vehicle", "we" will only pay for loss caused by "Collision" if the "Declarations" list a premium for "Collision" coverage for that vehicle. If there is a loss to an "insured vehicle", "we" will only pay for loss caused by "Other than Collision" if the "Declarations" list a premium for "Other than Collision" coverage for that vehicle. If there is a loss to a "non-owned auto" operated by "you" or a "family member" with the permission of the owner, "we" will provide the broadest coverage listed on the "Declarations" for any "insured vehicle".

Insuring Agreement-Rental Reimbursement

- A.** "We" will pay, without application of a deductible, for:
1. The reimbursement of rental expense incurred by "you" in the event of a loss to "your" "insured vehicle", up to the limit shown in the "Declarations" as applicable to that vehicle. "We" will pay such reimbursement if the loss is caused by:
 - a. "Collision" only if the "Declarations" indicate that "Collision" Coverage is provided for that vehicle.
 - b. "Other than Collision" only if the "Declarations" indicate that "Other than Collision" is provided for that vehicle.
 2. Loss of use expenses for which "you" become legally responsible in the event of loss to a "non-owned auto". "We" will pay for loss of use expenses if the loss is caused by:
 - a. "Collision" only if the "Declarations" indicate that "Collision" Coverage is provided for any "insured vehicle."
 - b. "Other than Collision" only if the "Declarations" indicate that "Other than Collision" Coverage is provided for any "insured vehicle."
- B.** If the loss is caused by a total theft of an "insured vehicle" or a "non-owned auto", "we" will pay only expenses incurred during the period:
1. beginning 48 hours after the theft, and
 2. ending when the "insured vehicle" or "non-owned auto" is returned to use, when "we" offer to pay for its loss, or when the maximum

limit as shown on the "Declarations" is exhausted.

- C.** "Our" payment will be limited to that period of time reasonably required to repair or replace the "insured vehicle" or the "non-owned auto." "We" will pay only the expenses beginning when the vehicle is withdrawn from use for more than 24 hours or, in the case of a total theft, for more than 48 hours.

Insuring Agreement-Towing and Labor

"We" will pay reasonable towing and necessary site of disablement labor costs incurred when "your" "insured vehicle" or a "non-owned auto" becomes disabled at a location other than the garaging and mailing addresses listed on the "Declarations". If an "insured vehicle" becomes disabled, "we" will pay up to the amount shown in the "Declarations" as applicable to that vehicle. If a "non-owned auto" becomes disabled, "we" will provide the broadest towing and labor costs coverage shown in the "Declarations" as applicable to any "insured vehicle". "We" will pay only for labor performed at the place of disablement. Locksmith service is **NOT** a disablement for which towing and labor coverage will be provided.

 1. The amount shown in the "Declarations",
 2. The amount necessary to repair or replace the property with other property of like kind and quality, or
 3. The actual cash value of the stolen or damaged property.

"Our" payment for loss will be reduced by any applicable deductible shown in the "Declarations".
- B. The most "we" will pay for loss to any "trailer" which "you" do not own is \$500.

- C. An adjustment for depreciation and physical condition will be applied in calculating actual cash value at the time of loss.
- D. "We" will not pay for the amount of the betterment if a repair or replacement results in better than like kind or quality.
- E. In the repair of any "insured vehicle" or "non-owned auto" under this Part D, "we" may require or specify the use of motor vehicle parts not made by the original manufacturer. These parts are required to be at least equal in terms of quality, performance, and warranty to the original manufacturer part they replace.

Payment of Loss

"We" may at "our" option:

1. pay for the loss in money; or
2. repair or replace the damaged or stolen property.

Payment to a licensed auto repair facility shall be considered payment to "you" and the loss payee. At "our" expense, "we" may return any recovered stolen property to "you" or to the current garaging address utilized to rate your policy, with payment for any damage resulting from the theft. "We" may keep all or part of the property at an agreed or appraised value. "We" may settle any loss with "you", the owner of or the lienholder of the property.

No Benefit to Bailee

The insurance provided under this Part D shall not directly or indirectly benefit any insurance company or other bailee for hire.

Other Sources of Recovery

If other sources of recovery also cover the loss, "we" will pay "our" share of the loss. "Our" share is the proportion that "our" limit of liability bears to the total of all applicable limits. However, any insurance "we" provide with respect to a "non-owned auto", "temporary substitute auto" or "newly acquired vehicle" shall be excess over any other collectible source of recovery including, but not limited to:

1. Any coverage provided by the owner of the property;
2. Any other applicable physical damage insurance;
3. Any other source of recovery applicable to the loss.

Appraisal

- A. If "we" and "you" do not agree on the amount of loss, either party may make a written demand for appraisal. However, both parties must agree to utilize the appraisal option. In the event both parties agree to the appraisal option, each party

will select an appraiser within 20 days. The two appraisers will select an umpire within 15 days. The appraisers will state separately the actual cash value of the property and the amount of loss. If they fail to agree, they will submit their differences to the umpire. The umpire will make an award within 30 days after the umpire receives the appraiser's submissions of their differences. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
 2. Bear the expenses of the appraisal and umpire equally.
- B.** "We" do not waive any of "our" rights under this policy by agreeing to an appraisal.
- C.** No dispute as to coverage under this Part D shall be subject to appraisal.

Additional Duties After an Accident or Loss

- A.** A person seeking coverage under this Part D must also:
1. Permit "us" to inspect and appraise the damaged property before its repair or disposal.
 2. Subject to the forgoing inspection requirement, take reasonable steps after loss to protect the property from further damage.
- B.** For any loss payable under this Part D, "you", the owner of the damaged or stolen vehicle, and any person operating that vehicle with permission from "you" or the vehicle owner must attend any Examination Under Oath requested by "us". The failure of any person to attend such an Examination Under Oath shall invalidate all coverage under this Part D as to all persons for that loss.

Loss Payable Clause

If a Loss Payee is shown on the "Declarations" for an "insured vehicle" any amount paid under this Part D for loss or damage to that vehicle shall be paid, as interest may appear, to "you", and that Loss Payee. However, payment to a licensed auto repair facility shall be considered payment to "you" and the loss payee. Any amount payable under this Part D for loss or damage to a "non-owned auto" shall be paid to the vehicle owner. The Loss Payee has no greater rights under this policy than "you" or the vehicle owner. Where coverage is denied to "you" or the vehicle owner, coverage is also denied to the Loss Payee.

"We" reserve the right to cancel the policy as permitted by policy terms and the cancellation shall terminate this agreement as to the loss payee's interest. "We" will attempt to give the same advance

notice of cancellation "we" give to the named insured to any Loss Payee shown on the "Declarations". However, the failure of the Loss Payee to receive that notice, for any reason, shall not invalidate the cancellation as to "you" or the Loss Payee. When "we" pay the Loss Payee "we" shall, to the extent of payment, be subrogated to the Loss Payee's rights of recovery. If the laws of "your" state, the state in which this policy was issued, or the state in which any loss payable under this Part D has occurred, requires payment to the Loss Payee in excess of that specified by the terms of this Part D, "you" agree to reimburse "us" to the extent of such payment.

Notwithstanding the deductible amount shown in the Declarations, the applicable deductible for any loss for which payment is made to the loss payee who has repossessed and obtained title to your "covered auto" shall not exceed \$250. Upon payment of such loss you will pay us the difference between that \$250 and the deductible amount shown in the Declarations.

Part E: Duties After an Accident or Loss

"We" have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- A.** "We" must be given prompt notice of any loss; including how, when, and where the loss or "accident" occurred. The names, addresses, and telephone numbers of any "covered persons", injured persons and of any witnesses should also be included in the notification.
- B.** If "you" or the person seeking coverage cannot identify the owner or operator of a vehicle involved in the "accident", or if theft or vandalism has occurred, "you" or the person seeking coverage must notify the police within 24 hours or as soon as practicable. In the case of a total theft of a vehicle, when requested by "us", "you" and any other person seeking payment under this Part D must complete, sign, have notarized and return to "us" an affidavit of theft of "our" selection. The unreasonable failure to do so within sixty (60) days of "our" request shall invalidate and bar all claims under this Part D; including, but not limited to, the claims of any lien holder or loss payee.
- C.** A person seeking any coverage under this policy must:
1. Cooperate with "us" in any matter related to any claim or lawsuit.
 2. Allow "us" to take signed and recorded statements, including sworn statements and examinations under oath, which "we" may conduct outside the presence of "you" or any

other person seeking coverage, and answer all reasonable questions “we” may ask as often as “we” may reasonably require. These examinations shall take place within the same county as the address listed on the “Declarations.”

3. Provide sworn proof of loss in writing that “we” may reasonably require.
4. Promptly provide “us” any demands, notices, or other legal papers received by “you” or any person seeking coverage under this policy.
5. Any person seeking uninsured motorist coverage under this policy must promptly send “us” copies of all legal papers if a suit is brought.
6. Submit, as often as “we” reasonably require to physical and psychological examinations by physicians “we” select. “We” will pay for these examinations.
7. Authorize “us” to obtain medical reports and any other pertinent records “we” request.

D. A person seeking Personal Injury Protection Coverage must also:

1. Give “us” written proof of claim, under oath if required. The proof of claim must include complete details of the nature and extent of the injuries and treatment received and contemplated; along with any other information which may assist “us” in determining the amount due and payable.
2. At “our” request, furnish “us” with a sworn statement of earnings for the “covered person” since the date of the “accident” and for a reasonable time before the “accident.”
3. Promptly send “us” copies of the summons, complaint and all other legal papers served in connection with any legal action taken, to recover damages for “bodily injury”, against a person or organization who is or may be legally liable.

Part F: General Provisions

8. “You” have the affirmative duty to advise “us” in writing of any change in circumstance or in the information “you” supplied to “us” on “your” application within thirty (30) days of that change. The failure to do so may invalidate coverage if that undisclosed change has a material impact upon a risk insured by this policy.

Changes

This insurance policy contains all the agreements between “you” and “us”. Its terms may not be changed or waived except by endorsement issued by “us”. Any changes to the information used to calculate the insurance policy premium, may result in an adjustment to “your” premium. Examples of changes made during the policy period that may affect “your” premium include, but are not limited to:

1. The place of principal garaging of “insured vehicles”;
2. The number, type or use classification of “insured vehicles”;
3. Operators using “insured vehicles”;

“We” reserve the right to adjust premium in accordance with “our” filed rates and rules based upon information obtained from “you” or others. If “we” broaden coverage under this edition of “your” policy without additional premium charge, it will automatically apply to “your” policy as of the date “we” implement the change in “your” state.

Fraud

To the extent permitted by law, “we” do not provide coverage for any person seeking coverage who has made false or fraudulent statements or engaged in fraudulent conduct in connection with:

1. The application for this insurance policy,
2. Any renewal of this insurance policy,
3. Any endorsement to this insurance policy,
4. Any reinstatement of this insurance policy, or
5. Any claim, “accident” or loss for which coverage is sought under this insurance policy.

“We” do not pay for any injury, loss or damage which results from an act committed by or at the direction of “you,” a “family member” or any “covered person” with the intent to cause any injury, loss or damages; even if such injury, loss or damage materially differs from that intended. A denial of payment under this provision also results in a denial of payment to any lienholder, additional interest, fractional owner or joint owner; regardless of whether that person or organization is listed on the “Declarations”.

Legal Action Against Us

Legal action may not be brought against “us” without full compliance with all terms of this insurance policy. Furthermore, legal action may not be brought against “us” under Part A: Liability Coverage until a court has determined that the “covered person” has an obligation to pay and the amount of that obligation has been determined by judgment. No person or organization has the right to file legal action against “us” prior to a court finding a “covered person” liable for damages. Any legal action against “us” must be brought in the state in which this insurance policy was issued. Any legal action against “us” shall be governed by the laws of the state in which this policy was issued.

If this policy provides Uninsured Motorist Coverage or Underinsured Motorist Coverage, there shall be no right of action against “us” under Part C: Uninsured Motorist Coverage unless such action is commenced no later than two (2) years after the injury or death, or the last basic or added reparations payment made by any reparations obligor, whichever occurs later. However the reissuance of a basic or added reparations payment shall not serve to extend this period.

Our Right to Recover Payment

Each “covered person” must assign to or hold in trust for “us” all rights of recovery against any person or organization after “we” have made payment to any “covered person”. No “covered person” shall prejudice “our” rights to recover against another person or organization. When “we” request, a

“covered person” shall do whatever is necessary to enable “us” to exercise “our” rights to recover.

If a “covered person” recovers from anyone without “our” written consent, the “covered person’s” right to payment under any applicable coverage will no longer exist. If a “covered person” recovers from another and from “us”, the amount recovered from another will be reimbursed to “us” to the extent of “our” payment. “We” may pursue legal action to recover that amount from the “covered person” if “we” are not reimbursed.

If “we” certified this policy as future proof of financial responsibility, this policy shall comply with the law to the extent required. “You” and any other “covered person” must reimburse “us” if “we” make a payment that “we” would not have made if this policy was not certified as proof of financial responsibility.

Cancellation

The “named insured” may cancel this insurance policy by giving “us” advanced written notice of his or her desire to cancel the insurance policy and the future date on which the cancellation is to take effect.

If this insurance policy has been in effect for less than 60 days and is not a renewal policy, “we” may cancel this policy for any reason not prohibited by law by issuing a notice of cancellation to the “named insured” shown on the “Declarations” at the last known address appearing in “our” records. “We” will provide at least 14 days notice during this period. If this insurance policy has been in effect for 90 days or more, or this is a renewal or continuation policy, “we” may cancel by issuing a notice of cancellation to the “named insured” shown on the “Declarations” at the last known address appearing in “our” records. “We” will provide at least 14 days notice of cancellation if the insurance policy is cancelled for nonpayment of premium or 20 days notice for all other cancellations.

After this insurance policy is in effect for 60 days, or if this is a renewal or continuation policy, “we” may cancel only for one or more of the following reasons:

1. Nonpayment of premium;
2. The driver’s license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy

has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date;

3. Discovery of fraud or material misrepresentation made by or with the knowledge of the named insured in obtaining the policy, continuing the policy, or in presenting a claim under the policy;
4. Discovery of willful acts or omissions on the part of the named insured that increase any hazard insured against; or;
5. A determination by the commissioner that the continuation of the policy would place the insurer in violation of KRS 304-20-040 or the rules or regulations of the commissioner.

Nonrenewal

"We" may non-renew for any reason not prohibited by law. If "we" decide not to renew or continue this policy, "we" will mail notice of nonrenewal to the "named insured" shown on the "Declarations" at the last known address listed in "our" records. Notice will be mailed at least 75 days prior the end of the policy period. If the policy period is other than 1 year, or written without a fixed expiration date, we will have the right not to renew or continue it only at each annual anniversary of its original effective date.

Automatic Termination

If "we" offer to renew and "you" or "your" representative do not accept, this policy will automatically terminate at the end of the current policy period. A failure to pay the required renewal premium when due shall mean that "you" have not accepted "our" offer to renew. If "you" obtain other insurance on an "insured vehicle", any insurance provided by this policy will terminate as to that "insured vehicle" on the effective date of the other insurance.

Other Termination Provisions

If the law in effect in "your" state at the time this policy is issued, renewed, or continued permits, "we" may deliver any notice instead of mailing it. Proof of mailing of any notice shall be sufficient proof of notice. If this policy is canceled, "you" may be entitled to a premium refund. If so, "we" will send "you" the refund. Refunds of less than \$5.00 will be waived unless requested in writing by the "named insured". Premium refunds are calculated on a pro rata basis. The effective date of cancellation stated in the notice shall become the end of the policy

period. If "your" policy cancels, for any reason, partial payment(s) will not reinstate or extend "your" policy coverage beyond the effective date of the cancellation. If "your" policy has expired and a renewal has been offered "we" will not accept partial payment(s) for said renewal to extend coverage.

Transfer of Your Interest in This Policy

No person may transfer or assign their rights or duties under this policy without "our" written consent. If the "named insured" dies, coverage will be provided to a surviving spouse if a resident of the "named insured's" household at the time of the "named insured's" death. Coverage will also apply for the operation of an "insured vehicle" by the legal representative of the "named insured" while acting as such. Coverage will terminate at the end of the policy term.

Kentucky Motor Vehicle Repairs Act

If any endorsement attached to this policy amends Part A: Liability Coverage Exclusions **A.1** through **A.7** or **B.1** through **B.13**, such amended exclusion shall apply only to the extent that the limits of liability for Part A: Liability Coverage exceed the limits of liability required by the Kentucky Motor Vehicle Repairs Act; unless such amended exclusion, by its own terms, explicitly and unambiguously provides that the amended exclusion applies to all coverage under Part A: Liability Coverage.

Two or More Auto Policies

If this policy and any other auto insurance policy issued to you by us apply to the same accident, the maximum limit of our liability under all the policies shall not exceed the highest applicable limit of liability under any one policy.

Our Right to Recompute Premium

We established the premium for this policy based on the statements you made in the application for insurance. We have the right to recompute the premium if we later obtain information which affect the premium development.

Electronic Signatures

"You" and "we" agree that electronic signatures may be used and will satisfy any regulatory or other requirement for written signatures. When a law requires a signature or letter to be notarized, verified or acknowledged or made under oath, the electronic signature will satisfy this requirement if the signature of the person authorized to perform the service notarizing, verifying, or acknowledging is attached to or logically associated with the signature of record.

Part G: Underinsured Motorists Coverage**Insuring Agreement**

A. “We” will pay compensatory damages which a “covered person” is legally entitled to recover from the owner or operator of an “underinsured motor vehicle” where such coverage is indicated as applicable in the “Declarations” because of “bodily injury”;

1. Sustained by a “covered person”; and
2. Caused by an “accident”.

The owner’s or operator’s liability for these damages must arise out of the ownership, maintenance or use of the “underinsured motor vehicle”.

B. “Covered person” as used in this endorsement means:

1. “you” or any “family member”.
2. any other person “occupying” an “insured vehicle”.
3. any person for damages that person is entitled to recover because of “bodily injury” to which this coverage applies sustained by a person described in 1. or 2. above.

C. “Underinsured motor vehicle” means a land motor vehicle or trailer of any type to which a bodily injury liability bond or policy applies at the time of the accident but the amount paid for “bodily injury” under that bond or policy to a “covered person” is not enough to pay the full amount the “insured” is legally entitled to recover as compensatory damages. However, “underinsured motor vehicle” does not include any vehicle or equipment.

1. To which a bodily injury liability bond or policy applies at the time of the accident but its limit for bodily injury liability is less than the minimum limit for bodily injury liability specified by the financial responsibility law of the state in which an “insured vehicle” is principally garaged.
2. Owned by or furnished or available for the “regular use” of “you” or any “family member”.
3. Operated on rails or crawler treads.
4. Designed mainly for use off public roads while not on public roads.
5. While located for use as a residence or premises.
6. Owned or operated by a person qualifying as a self-insurer under any applicable motor vehicle law.
7. To which a bodily injury liability bond or policy applies at the time of the accident but the bonding or insuring company:
 - a. denies coverage; or
 - b. is or becomes insolvent.

Exclusions

The following exclusions apply to all claims presented under this coverage:

- A.** “We” do not provide Underinsured Motorists Coverage for “bodily injury” sustained by any person:
1. While “occupying” an “insured vehicle” when it is being used to carry persons or property for a fee. This exclusion (**A.1.**) does not apply to a share-the-expense car pool.
 2. Using a vehicle without a reasonable belief that that person is entitled to do so.
- B.** This coverage shall not apply directly or indirectly to benefit any insurer or self-insurer under any of the following or similar laws.
1. Workers’ compensation law; or
 2. Disability benefits law.
- C.** “We” do not provide Underinsured Motorists Coverage for punitive or exemplary damages or any damages other than compensatory.

Limit of Liability

- A.** The limit of liability shown in the “Declarations” for each person for Underinsured Motorists Coverage is “our” maximum limit of liability for all damages, including damages for care, loss of services or death, arising out of “bodily injury” sustained by any person in any one accident. Subject to this limit for each person, the limit of liability shown in the “Declarations” for each accident for Underinsured Motorists Coverage is “our” maximum limit of liability for all damages for “bodily injury” resulting from any one “accident”. The maximum limit of liability is the most we will pay regardless of the number of:
1. “Covered persons”;
 2. Claims made;
 3. Vehicles or premiums shown in the “Declarations”; or
 4. Vehicles involved in the “accident”.
- The maximum limit of liability is the most “we” will pay regardless of the number of:
1. “Covered persons”;
 2. Claims made; or
 3. Vehicles involved in the “accident”.
- B.** No one will be entitled to receive duplicate payments for the same elements of loss under this coverage and Part A, Part B, Part C or Personal Injury Protection Coverage of this policy.
- C.** “We” will not make a duplicate payment under this coverage for any element of loss for which payment has been made by or on behalf of persons or organizations who may be legally responsible.
- D.** “We” will reduce the “covered person’s” total damages by any amount available to that “covered person”, under any bodily injury liability bonds or policies applicable to the “underinsured

motor vehicle" that such "covered person" did not recover as a result of settlement between the "covered person" and the insurer of an "underinsured motor vehicle". However, any reduction of the "covered person's" total damages will not reduce the limit of liability for this coverage. This paragraph (D.) shall not apply if "we" advance payment to the "covered person" in an amount equal to the tentative settlement with the insurer of the "underinsured motor vehicle".

- E. "We" will not pay under this coverage for any element of loss if a person is entitled to receive payment for the same element of loss under any of the following or similar law.
1. Workers' compensation law; or
 2. Disability benefits law.

Other Insurance

If there is other applicable similar insurance "we" will pay only "our" share of the loss. "Our" share is the proportion that "our" limit of liability bears to the total of all applicable limits. However, any insurance "we" provide with respect to a vehicle.

- a. "You" do not own, including any vehicle while used as a temporary substitute for an "insured vehicle"; or
- b. Owned by "you" or any "family member" which is not insured for this coverage under this policy;

Shall be excess over any other collectible insurance similar to the insurance provided by this endorsement.

Arbitration

- A. If "we" and a "covered person" do not agree:
1. Whether that person is legally entitled to recover damages under Underinsured Motorists Coverage. or
 2. As to the amount of damages; the parties may agree to arbitration.

However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction.

Each party will:

1. Pay the expenses it incurs; and
2. Bear the expenses of the third arbitrator equally.

Unless both parties agree otherwise, arbitration will take place in the county in which the "covered person" lives. Local rules of law as to procedures and evidence will apply. A decision agreed to by two of the arbitrators will be binding as to:

1. Whether the "covered person" is legally entitled to recover damages; and
2. The amount of damages, unless the amount of damages agreed to by arbitrators exceeds the limits of Underinsured Motorists Coverage. If the amount exceeds that limit, either party may request the right to trial within 60 days of arbitrators' decision.

Additional Duties

Any person seeking coverage under this endorsement must also promptly:

1. Send "us" copies of the legal papers if a suit is brought; and
2. Notify "us" in writing by certified or registered mail of a tentative settlement between the "covered person" and the insurer of the "underinsured motor vehicle" and allow "us" 30 days to advance payment to that "covered person" in an amount equal to the tentative settlement to preserve "our" rights against the insurer, owner or operator of such "underinsured motor vehicle".

 - B. Any other person who has rejected the limitation upon his tort rights pursuant to the Kentucky Motor Vehicle Reparations Act. Any rejection of tort limitations applicable only to motorcycles shall not affect the status of any person as a "covered person" with respect to any "motor vehicle" other than a motorcycle.
2. "Family member" means the spouse and any person related to the "named insured" by blood,

marriage or adoption, including a minor in the custody of:

- a. the "named insured";

3. "Occupying" means in or upon, entering into or alighting from.
4. "insured vehicle" means a "motor vehicle".
 - a. to which the bodily injury liability coverage of this policy applies and for which a specific premium is charged; and

II. Personal Injury Protection Coverage Insuring Agreement

"We" will pay, in accordance with the Kentucky Motor Vehicle Repairs Act, personal injury protection benefits to or for a "covered person" who sustains "bodily injury". The "bodily injury" must be caused by an "accident" arising out of the operation, maintenance or use of a "motor vehicle" as a vehicle. Subject to the limits shown in the Declarations, personal injury protection benefits consist of the following:

A. Medical expenses. Reasonable charges incurred for reasonably needed products, services and accommodations including those for:

1. Medical care, physical rehabilitation, rehabilitative occupational training, licensed ambulance services and other remedial treatment and care;
2. Any non-medical remedial treatment rendered in accordance with a recognized religious method of healing; and
3. Any healing arts profession of a type licensed by Kentucky.

Medical expenses do not include that portion of a

2. Any other institution engaged in providing nursing care and related services; in excess of a reasonable and customary charge for semi-private accommodations, unless intensive care is medically required.

B. Funeral expenses. Reasonable charges incurred for expenses which are in any way related to a funeral, cremation or burial.

C. Work loss.

1. Loss of income from work a "covered person" would probably have performed had he not sustained "bodily injury".
2. Expenses reasonably incurred by an "covered person" in obtaining services instead of those he would have performed for income.

Work loss shall be reduced by any income from substitute work actually performed by the "covered person".

D. Replacement services loss. Expenses reasonably incurred in obtaining ordinary and necessary services instead of those a "covered person" would have performed, not for income, but for his or his family's benefit had he not sustained "bodily injury".

E. Survivor's economic loss. Loss after a "covered person's" death of contributions of things of economic value to his "survivors". Survivor's economic loss.

1. Shall be reduced by any expenses of the "survivors" which are avoided due to the "covered person's" death.
2. Does not include services the "survivors" would have received from the "covered person" had he not died.

F. Survivor's replacement services loss.

Expenses reasonably incurred by "survivors" after a "covered person's" death in obtaining ordinary and necessary services instead of those the "covered person" would have performed for their benefit had he not died. Such expenses shall be reduced by any expenses of the "survivors" which are avoided due to the "covered person's" death which were not subtracted in calculating survivor's economic loss.

Exclusions

A. "We" do not provide Personal Injury Protection Coverage for "bodily injury" sustained by:

1. Any "covered person" if such injury arises from that "covered person's" conduct within the course of a business of:
 - a. repairing;
 - b. servicing; or
 - c. otherwise maintaining;

"motor vehicles". This Exclusion **(A.1.)** does

- not apply if such conduct occurs off the business premises.
2. Any "covered person" arising from conduct in the course of loading or unloading any "motor vehicle". This Exclusion **(A.2.)** does not apply if such conduct occurs while "occupying" that "motor vehicle".
 3. Any "covered person":
 - a. intentionally causing; or
 - b. attempting to cause; "bodily injury". If that "covered person" dies as a result of such "bodily injury", his "survivors" are not entitled to survivor's economic loss or survivor's replacement services loss.
 4. Any "pedestrian", other than the "named insured" or any "family member", outside of Kentucky.
 5. Any "covered person", other than the "named insured" or any "family member", while "occupying" a "motor vehicle" which is:
 - a. regularly used in the course of the business of transporting persons or property; and
 - b. one of five or more "motor vehicles" under common ownership;
 if the accident occurs outside of Kentucky. However, this Exclusion **(A.5.)** does not apply if:
 - a. the "covered person" is a Kentucky resident;
 - b. the "motor vehicle" the "covered person" is "occupying" at the time of the accident is a bus which:
 - (1) is secured as required by the Kentucky Motor Vehicle Reparations Act; and
 - (2) is registered in Kentucky; and
 - c. the "covered person" boarded the bus in Kentucky.
 6. Any "covered person", other than the "named insured" or any "family member", while "occupying" a "motor vehicle" owned by a government, other than the Kentucky state government or its:
 - a. political subdivisions.
 - b. municipal corporations; or
 - c. public agencies;
 if the accident occurs outside of Kentucky.
 7. Any "covered person" arising out of the use of any "motor vehicle" while located as a residence or premises.
 8. Any "covered person" while "occupying" a "motorcycle".
- B.** "We" do not provide Personal Injury Protection Coverage for "bodily injury":

 - c. insurrection.
 - d. rebellion or revolution; or
 - e. any act or condition incident to any of the above.
 2. Resulting from the:
 - a. radioactive.
 - b. toxic.
 - c. explosive; or
 - d. other hazardous; properties of nuclear material.
- C.** "We" do not provide personal injury protection benefits for "bodily injury" sustained by:
1. The "named insured" or any "family member", who has not rejected his tort limitation pursuant to the Kentucky Motor Vehicle Reparations Act, while:
 - a. "occupying"; or
 - b. a "pedestrian" struck by; any "motor vehicle", other than an "insured vehicle", for which the security required by the Kentucky Motor Vehicle Reparations Act is in effect. This Exclusion **(C.1.)** does not apply if the provider of such security fails to make payment for loss within 30 days of reasonable proof of the fact and the amount of loss sustained.
 2. Any "covered person", other than the "named insured" or any "family member", which arises from the maintenance or use of a "motor vehicle" without a good faith belief that he is legally entitled to do so.

Limits of Liability

- A.** The limits of liability shown in the "Declarations" are the most "we" will pay to or for each "covered person" injured in any one "motor vehicle" "accident", regardless of the number of:
1. "Covered persons";
 2. Policies or approved self-insurance plans applicable;
 3. Claims made; or
 4. "Insured vehicles".
- B.** Any amounts payable under this coverage shall be reduced by any applicable deductible shown in the "Declarations". Such deductible shall be applicable only to the "named insured" or any "family member". If the deductible is applicable to two or more persons who sustain "bodily injury" in the same "motor vehicle" accident, the amount of the deductible shall be prorated equally among them. The "named insured" or any "family member" is entitled to receive under this coverage, the difference between the deductible shown in the "Declarations" and a larger personal injury protection coverage deductible under another policy.
- C.** The maximum limit of liability for the total of work loss, replacement services loss, and "survivor's"

replacement services loss is \$200 per week, which shall be prorated for any period less than one week. If a "covered person's" earnings or work are seasonal or irregular, the maximum limit of liability shall be equitably adjusted on an annual basis.

- D. The maximum limit of liability for funeral expense is \$1,000.
- E. In calculating the loss or expenses for which personal injury protection benefits are payable under this coverage, "we" will reduce such loss or expenses by:
 1. All benefits or advantages a person receives or is entitled to receive under workers' compensation, unless these benefits or advantages have not been received before personal injury protection benefits are overdue or the claim is paid.
 2. Any income tax saving resulting from benefits or advantages received for loss of income under:
 - a. this coverage; or
 - b. workers' compensation;
 which are not considered taxable income. The maximum reduction shall not exceed 15% of loss of income and shall be less if the person making a claim provides us with reasonable proof of a lower value of the income tax advantage.

Other Insurance

- A. No one will be entitled to receive duplicate payments for the same elements of loss under this or any similar insurance, including approved self-insurance plans.
- B. If there is other applicable insurance, including approved self-insurance plans, the maximum recovery under all such insurance shall not exceed the amount which would have been payable under the insurance with the highest limit of liability.
- C. "We" will pay only the proportion of the loss that "our" limit of liability bears to the sum of all applicable limits.

Part E: Duties After an Accident or Loss

Duties **A.** and **B.** are replaced by the following:

- A. In the event of an "accident", prompt written notice must be given to "us" or "our" authorized agent. Such notice shall include:
 1. Sufficient details to identify the "covered person"; and
 2. Reasonably obtainable information regarding how, when and where the "accident" happened.
- B. A person seeking Personal Injury Protection Coverage must:

1. Promptly give "us" written proof of claim, under oath if required. Such proof shall include:
 - a. full details of the nature and extent of the "bodily injury" and treatment and rehabilitation received and contemplated; and
 - b. any other information which may assist "us" in determining the amount due and payable.
2. Submit, as often as "we" may reasonable require, to examination under oath and subscribe to the same.
3. Submit, when required by order of a court, to a physical or mental exam by a physician specified in the court order.

- A. The **Our Right To Recover Payment** Provision is replaced by the following.

Our Right To Recover Payment

If "we" make a payment under this coverage and the person to or for whom payment was made has a right to recover damages from another, "we" shall be subrogated to that right, to the extent of "our" payment. That person shall:

1. Execute and deliver the instruments and papers and do whatever else is necessary to secure such rights; and
2. Do nothing after loss to prejudice these rights. "Our" rights in this provision are subject to the provisions of the Kentucky Motor Vehicle Repairs Act.

- B. Paragraph **B.** of the **Policy Period and Territory** Provision is replaced by the following.

Policy Period and Territory.

B. The policy territory is:

1. The United States of America, its territories or possessions; or
2. Canada.

- C. The following provisions are added:

Coordination of Coverage

In consideration of the coverage provided under this endorsement and the adjustment of applicable premiums, any amounts payable under Part B or Part C of this policy shall be excess over any personal injury protection benefits paid or payable, but for the application of a deductible, under this or any other automobile insurance policy.

Constitutionality Clause

The premium for and the coverages of this policy have been established in reliance upon the Kentucky Motor Vehicle Repairs Act. If a court of competent jurisdiction declares or enters a judgment which renders the provisions of these statutes invalid or unenforceable, in whole or in part, "we" shall have the right to:

1. Recompute the premium payable for this

- policy; and
2. At "our" option, void or amend the provisions of this endorsement.

Notice to Policyholders

Acceptance of the coverage described in the Kentucky Motor Vehicle Reparations Act places some limitations on your right to bring suit for bodily injury. The Kentucky Motor Vehicle Reparations Act reads in part:

- (1.) Any person who registers, operates, maintains or uses a motor vehicle on the public roadways of this Commonwealth shall, as a condition of such registration, operation, maintenance or use of such motor vehicle and use of the public roadways, be deemed to have accepted the provisions of this act, and in particular those provisions which are contained in this section.
- (2.)(a.) Tort liability with respect to accidents occurring in this Commonwealth and arising from the ownership, maintenance, or use of a motor vehicle is abolished for damages because of bodily injury, sickness or disease to the extent the basic reparations benefits provided in this Act are payable therefore, or that would be payable but for any deductible authorized by this Act, under any insurance policy or other method of security complying with the requirements of this Act, except to the extent non-economic detriment qualifies under subsection (2.)(b.) hereof.
- (2.)(b.) In any action of tort brought against the owner, registrant, operator or occupant of a motor vehicle. With respect to which security has been provided as required in this Act. Or against; any person or organization, legally responsible for his acts or omissions, a plaintiff may recover damages in tort for pain, suffering, mental anguish and inconvenience because of bodily injury, sickness or disease arising out of the ownership, maintenance, operation or use of such motor vehicle. Only in the event that the benefits which are payable for such injury as medical expense or which would be payable but for any exclusion or deductible authorized by this Act, exceed \$1,000.00 or the injury or disease consists in whole or in part of permanent disfigurement, a fracture to a bone, a compound, comminuted, displaced or compressed fracture, loss of a body member, permanent injury within reasonable medical probability, permanent loss of bodily function or death. Any person who is entitled to receive free medical and surgical benefits, shall be deemed in compliance with the requirements of this

subsection. Upon showing that the medical treatment received has an equivalent value of at least \$1,000.

- (2.)(c.) Tort liability is not so limited for injury to a person who is not an owner, operator, maintainer or user of a motor vehicle within subsection (1.) of this section.
- (3.) Any person may refuse to consent to the limitations of his tort rights and liabilities as contained in this section. Such rejection must be in writing in a form to be prescribed by the Department of Insurance. Also must have been executed and filed with the Department at a time prior to any motor vehicle accident for which such rejection is to apply.

These are some of the exceptions to the limitations on your right to sue. But are not intended to comprise a complete enumeration of all circumstances under which suit may be brought for bodily injury.
