Part A: Liability Coverage

Insuring Agreement

If “you” paid the premium for Liability Coverage, “we” will pay damages, other than punitive damages, exemplary damages or restitution orders; for “bodily injury” or “property damage” for which any “covered person” becomes legally responsible because of an auto “accident.” Damages include prejudgment interest and any court costs awarded or taxed against the “covered person.” “We” have the right to investigate and defend against any claim or suit for damages within the coverage provided by this policy;

and the right to negotiate and settle any claim or suit within the coverage and liability limit of this policy.

Additional Definitions

When used in this Part:

“Covered Person” means:

1. “you” for the ownership, maintenance, or use of any auto or “trailer.”
2. Any “family member” for the ownership, maintenance or use of an “insured vehicle” and for the use of any auto with the permission of its owner provided such use is within the scope of that permission.

Supplementary Payments

In addition to “our” limit of liability, “we” will pay all defense costs “we” incur. “Our” duty to settle or defend ends when the applicable limit of liability for this coverage has been exhausted by payment of any settlement, any judgment or any combination thereof. “We” have no duty to defend any suit or settle any claim for “bodily injury” or “property damage” not covered under this policy.

In addition to “our” limit of liability, “we” will pay on behalf of a “covered person”:

1. Premiums on appeal bonds in any suit in which “we” elect to pursue and appeal. “We” have no duty to apply for or furnish bonds.
2. Post-judgment interest entered in any suit “we” defend. “Our” duty to pay interest ends when “we” offer to pay that part of the judgment which does not exceed the applicable limit of liability for this coverage.
3. Other necessary expenses incurred at “our” request.

However, “we” will not pay any costs or expenses, including attorney fees, incurred by any person or any “covered person” because of a declaratory judgement action between that person or “covered person” and “us”.

This exclusion applies to all claims for such "bodily injury" or "property damage" regardless of the theory of liability.

Limit of Liability

WARNING: This policy provides only those limits of liability required by law for any person who qualifies as a "covered person" solely on the basis of permission to operate or possess an "insured vehicle." Those limits may be less than those listed in the Declarations.

The Liability coverage Bodily Injury limit of liability as listed on the "Declarations" for Each Person is "our" maximum limit of liability for all damages, including, but not limited to, damages for treatment and care, loss of services (including loss of consortium and wrongful death), physical injury, emotional or psychological injury, pain, suffering and death, arising out of or in any manner caused by "bodily injury" sustained by any one person in any one auto "accident." Lower limits may apply in certain events as indicated in the warning above.

Subject to this limit for Each Person, the Liability coverage Bodily Injury limit of liability as listed on the "Declarations" for Each "Accident" is "our" maximum limit of liability for all damages for "bodily injury" resulting from any one auto "accident." Lower limits may apply in certain events as indicated in the warning above.

The Liability coverage Property Damage limit of liability as listed on the "Declarations" for Each

"Accident" is "our" maximum limit of liability for all "property damage" (including, but not limited to, physical injury to, destruction of, loss of use of, and diminution in value) resulting from any one auto "accident." Lower limits may apply in certain events as indicated in the warning above.

This is the most we will pay regardless of the number of:

1. "Insureds";
2. Claims made;

3. Vehicles or premiums shown in the Declarations; or

4. Vehicles involved in the auto "accident."

Lower limits may apply in certain events as indicated in the warning above.

No one will be entitled to receive duplicate payments for the same elements of loss under this coverage and Part B or Part C of this policy.

Out of State Coverage

If an auto "accident" to which Part A Liability Coverage of this policy applies occurs within the policy territory, but not within the state in which "your" policy was issued, "we" will apply "your" policy as follows for that "accident":

A. If the state, territory or province has:

1. A financial responsibility or similar law specifying limits of liability for "bodily injury" or "property damage" greater than the limit shown in the "Declarations" and applicable to nonresidents, "your" policy will provide that greater specified limit.
2. A compulsory insurance or similar law requiring a nonresident to maintain an automobile liability insurance whenever the nonresident uses a vehicle in that state, territory, or province, "your" policy will provide the required minimum amounts and types of coverage or the limits listed in the "Declarations", whichever is greater.

B. No one will be entitled to duplicate payments for the same elements of loss.

Financial Responsibility

If "we" certified this policy as future proof of financial responsibility, this policy shall comply with the law to the extent required. "You" and any other "covered person" must reimburse "us" if "we" make a payment that "we" would not have made if this policy was not certified as proof of financial responsibility.

Other Insurance

If there is other applicable liability insurance:

1. Any insurance "we" provide for a vehicle "you" do not own shall be excess over any other collectible insurance. However, any insurance "we" provide for a vehicle "you" do not own will be primary insurance if:
 - a. the vehicle is insured under a policy affording coverage to a "named insured" engaged in the "business" of:
 - (1) selling;
 - (2) repairing;
 - (3) servicing;
 - (4) delivering;
 - (5) testing;
 - (6) road testing;
 - (7) parking; or
 - (8) storing;

motor vehicles.

This applies only if the person using the vehicle:

- (1) is operating the vehicle with the permission of the owner; and
 - (2) is neither the person engaged in such "business" or that person's employee or agent; or
- b. the vehicle is leased by "you" under a written lease agreement and "you" have agreed to provide coverage for the operation of the vehicle.
2. Any insurance "we" provide for a vehicle "you" own shall be excess to that of a person engaged in the "business" of:
 - a. storing;
 - b. parking;
 - c. servicing; or
 - d. repairing;
 motor vehicles, if the "accident" occurs while the vehicle is in that person's possession, custody or control.
 3. If "our" coverage is co-primary or co-excess with any other liability insurance, then "we" will pay "our" share of the loss. "We" will pay only "our" share of the loss. "Our" share is the proportion that "our" limit of liability bears to the total of all applicable liability limits.

Additional Interest

Liability Coverage shall also apply to each additional interest named in the "Declarations" with respect to the "insured vehicle" identified with that interest. Coverage afforded to an additional interest is excess over any other valid and collectible insurance. The designation of an additional interest shall not operate to increase "our" limits of liability and provides the additional interest with no greater rights than those of the "covered person".

Part B: Medical Payments Coverage

Insuring Agreement

"We" will pay the usual and customary charge for reasonable expenses incurred for necessary medical and funeral services because of "bodily injury" from a covered loss:

1. Sustained by a "covered person" and;
2. Caused by a motor vehicle "accident" which occurred within the policy territory.

"We" will pay only those expenses incurred for services rendered within three years from the date of the "accident."

"Our" liability under this coverage shall be excess over any other valid and collectible medical payments insurance, no-fault motor vehicle insurance, medical or hospitalization insurance, health or accident insurance, or any benefits payable pursuant to a workers' compensation statute or similar law.

Additional Definitions

When used in this Part:

“Covered Person” includes:

1. “You” or any “family member”:
 - a. while “occupying”; or

“We” do not provide Medical Payments Coverage to any “covered person” for “bodily injury”:

2. Sustained while “occupying” any vehicle located for use as a residence or premises.
3. While employed or otherwise engaged in the “business” of selling, repairing, servicing, storing, or parking vehicles designed for use mainly on public highways. This includes road testing and delivery.
4. Sustained when struck by, or while “occupying” or otherwise using any vehicle while that “covered person” is employed or otherwise engaged in any “business” (other than farming or ranching) not described in exclusion 3. Without limiting the scope of this exclusion, if workers compensation benefits are available to a “covered person,” that “covered person” shall be considered to have been engaged in “business” at the time of loss.
5. Sustained while “occupying” or otherwise using a vehicle without the express permission of the vehicle owner.
6. Sustained while operating any motor vehicle without a valid, in-force operator’s license.

 - a. has more or less than four wheels; or
 - b. is designed mainly for use off public roads. This exclusion does not apply to any “trailer” attached to a private passenger automobile.
9. Caused by a resident of “your” household; age 15 or above, who is not listed on the application for the policy or endorsed onto the “Declarations” during the policy term but prior to the loss.

 - a. owned by “you”;
 - b. furnished or available for “your” “regular use”.
 - c. owned by any “family member” or resident of “your” household; or
 - d. furnished or available for the “regular use” of any “family member” or resident of “your” household.
11. Sustained while:
 - a. competing in;

12. Sustained while “occupying” or otherwise using any vehicle while such vehicle is being used to carry persons or property for compensation or a fee, including, but not limited to, delivery of magazines, newspapers, food delivery, or any other products; and all delivery services arranged through smart-phone or other mobile applications.
13. Sustained while “occupying” any vehicle utilized in the provision of rideshare transportation or arranged through any rideshare network, transportation network company or similar service.

- force operator's license; or
- d.** person who has "regular use" of an "insured vehicle";

- 20.** Which is the subject of any criminal restitution order.
- 21.** Sustained during the commission of a criminal act or omission; or during participation in any criminal enterprise. This exclusion applies only to the "covered person" committing the criminal act or omission; or participating in the criminal enterprise.
- 22.** Sustained during the course of employment. This exclusion does not apply to "bodily injury" to a domestic employee of the "named insured" unless workers' compensation benefits are required or otherwise available for that domestic employee. Without limiting the scope of this exclusion, if workers compensation benefits are available to a "covered person" for any portion of the loss, that "covered person" shall be considered to have sustained "bodily injury" during the course of employment.
- 23.** Sustained while "occupying" an "insured vehicle" while it is being used as a public or livery conveyance.
- 24.** When ultimate benefit of such indemnification accrues directly or indirectly to any insurance carrier or self-insured.
- 25.** For any "accident" that occurs while "your" "insured vehicle" or any auto is being used in a "Personal Vehicle Sharing Program", a "Commercial Ridesharing Program" or a similar arrangement.

Limit of Liability

- A.** The limit of liability shown in the "Declarations" for Medical Payments Coverage is the maximum amount of total payments "we" will pay for each person injured in any one "accident", regardless of the number of:
1. "Covered Persons";
 2. Vehicles involved in the "accident";
 3. Claims made;
 4. "Insured Vehicles" or premiums shown in the "Declarations";
 5. Vehicles involved in the "accident"; or
 6. Lawsuits.
- B.** No amount will be paid until the limits of all other applicable medical payments coverage, no-fault motor vehicle insurance, medical or hospitalization insurance, health or "accident" insurance, or any workers' compensation or disability benefits have been paid in full.
- C.** No "Covered Person" nor a legal representative of a "Covered Person" will be entitled to receive

duplicate payments under this policy for the same elements of damages. If "we" make payment under this Part B Medical Payments Coverage, it will be applied as a credit to damages under Part A Liability Coverage.

Medical Payments Arbitration

If a "Covered Person" incurs expenses for medical services that "we" deem to be unreasonable or unnecessary, "we" may refuse to pay for those expenses. If the "covered person" or anyone claiming on their behalf does not agree with "our" decision, the dispute shall be resolved through binding arbitration. In this event, each party will select a competent and impartial arbitrator. The two arbitrators will state separately the usual and customary charge for reasonable expenses incurred for necessary medical and funeral services because of "bodily injury" from a covered loss. If they fail to agree, the two arbitrators will select an umpire. The arbitrators will submit their conclusions to the umpire for a selection of one of the conclusions. A conclusion agreed to by any two will be binding. Each party will:

1. Pay its chosen arbitrator; and
2. Bear the expenses of the arbitration and umpire equally.

Disputes as to coverage for any person, "accident" or loss event under this Part B: Medical Payments shall not be arbitrated.

Part C: Uninsured Motorist Coverage

Insuring Agreement

If a premium is shown on the "Declarations" for Uninsured Motorist Coverage, we will pay compensatory damages which a "covered person" is legally entitled to recover from the owner or operator of an "uninsured motor vehicle" because of "bodily injury":

1. Sustained by a "covered person"; and
2. Caused by an "accident".

The owner's or operator's liability for these damages must arise out of the ownership, maintenance, or use of an "uninsured motor vehicle" as defined by this policy. Any judgment against an owner or operator of an "uninsured motor vehicle" for damages arising out of a lawsuit brought without our written consent is not binding upon us.

Additional Definitions

When used in this Part:

A. "Covered person" means:

1. "You".
2. Any "family member" who does not own an auto.

- A. With respect to this Part C Uninsured Motorist Coverage for "you" or any "family member":
 1. The Each Person limit of liability as indicated on the "Declarations" for Uninsured Motorist Coverage Bodily Injury is "our" maximum limit of liability for all damages, including damages for care, loss of services or death, arising out of "bodily injury" sustained by any one person in any one "accident."
 2. Subject to this limit for Each Person, the Each Accident limit of liability as indicated on the "Declarations" for Uninsured Motorist Bodily Injury is "our" maximum limit of liability for all "bodily injury" damages sustained by two or more "covered persons" as a result of any one "accident".

- D.** We will not make a duplicate payment under this coverage for any element of loss for which payment has been made by or on behalf of persons or organizations who may be legally responsible or any workers' compensation law, disability benefits law or similar law.

Other Insurance

If another insurance company also provides Uninsured Motorist Coverage and it is applicable to the same "bodily injury", "we" will pay only our share of the "bodily injury" not to exceed the maximum set forth in the Limit of Liability provision above. Our share is the proportion that the limit of liability available under this Part C Uninsured Motorist Coverage bears to the total of all such uninsured motorist insurance limits available for that "bodily injury".

Part D: Coverage for Damage to Your Auto

Insuring Agreement

If "you" pay the appropriate premium; "we" will pay less any deductible, for sudden, direct, and accidental loss caused by "Collision" or "Other than Collision" to an "insured vehicle" or any "non-owned auto" as defined in this Part D Coverage for Damage

to Your Auto. Loss to a "non-owned auto" is only covered while operated by "you" or a "family member" with the permission of the owner of that "non-owned auto". If there is a loss to an "insured vehicle", "we" will only pay for loss caused by "Collision" if the "Declarations" list a premium for "Collision" coverage for that vehicle. If there is a loss to an "insured vehicle", "we" will only pay for loss caused by "Other than Collision" if the "Declarations" list a premium for "Other than Collision" coverage for that vehicle. If there is a loss to a "non-owned auto" operated by "you" or a "family member" with the permission of the owner, "we" will provide the broadest coverage listed on the "Declarations" for any "insured vehicle".

Insuring Agreement-Rental Reimbursement

- A.** "We" will pay, without application of a deductible, for:
1. The reimbursement of rental expense incurred by "you" in the event of a loss to "your" "insured vehicle", up to the limit shown in the "Declarations" as applicable to that vehicle. "We" will pay such reimbursement if the loss is caused by:
 - a. "Collision" only if the "Declarations" indicate that "Collision" Coverage is provided for that vehicle.
 - b. "Other than Collision" only if the "Declarations" indicate that "Other than Collision" is provided for that vehicle.
 2. Loss of use expenses for which "you" become legally responsible in the event of loss to a "non-owned auto". "We" will pay for loss of use expenses if the loss is caused by:
 - a. "Collision" only if the "Declarations" indicate that "Collision" Coverage is provided for any "insured vehicle."
 - b. "Other than Collision" only if the "Declarations" indicate that "Other than Collision" Coverage is provided for any "insured vehicle."
- B.** If the loss is caused by a total theft of an "insured vehicle" or a "non-owned auto", "we" will pay only expenses incurred during the period:
1. beginning 48 hours after the theft, and
 2. ending when the "insured vehicle" or "non-owned auto" is returned to use, when "we" offer to pay for its loss, or when the maximum limit as shown on the "Declarations" is exhausted.
- C.** "Our" payment will be limited to that period of time reasonably required to repair or replace the "insured vehicle" or the "non-owned auto." "We" will pay only the expenses beginning when the vehicle is withdrawn from use for more than 24 hours or, in the case of a total theft, for more than 48 hours.

Insuring Agreement-Towing and Labor

"We" will pay reasonable towing and necessary site of disablement labor costs incurred when "your" "insured vehicle" or a "non-owned auto" becomes disabled at a location other than the garaging and mailing addresses listed on the "Declarations". If an "insured vehicle" becomes disabled, "we" will pay up to the amount shown in the "Declarations" as applicable to that vehicle. If a "non-owned auto" becomes disabled, "we" will provide the broadest towing and labor costs coverage shown in the "Declarations" as applicable to any "insured vehicle". "We" will pay only for labor performed at the place of disablement. Locksmith service is **NOT** a disablement for which towing and labor coverage will be provided. Additional charges for safety or other inspections, covering or securing a vehicle and logging or disposing of materials are not payable.

 1. The amount shown in the "Declarations",
 2. The amount necessary to repair or replace the property with other property of like kind and quality, or
 3. The actual cash value of the stolen or damaged property.
 "Our" payment for loss will be reduced by any applicable deductible shown in the "Declarations".
- B. The most "we" will pay for loss to any "trailer" which "you" do not own is \$500.
- C. An adjustment for depreciation and physical condition will be applied in calculating actual cash value at the time of loss.
- D. "We" will not pay for the amount of the betterment if a repair or replacement results in better than like kind or quality.
- E. In the repair of any "insured vehicle" or "non-owned auto" under this Part D, "we" may require or specify the use of motor vehicle parts not made by the original manufacturer. These parts are required to be at least equal in terms of quality, performance, and warranty to the original manufacturer part they replace.

Payment of Loss

"We" may at "our" option:

1. pay for the loss in money; or
2. repair or replace the damaged or stolen property.

Payment to a licensed auto repair facility shall be considered payment to "you" and the loss payee. At "our" expense, "we" may return any recovered stolen property to "you" or to the current garaging address utilized to rate your policy, with payment for any damage resulting from the theft. "We" may keep all or part of the property at an agreed or appraised value. "We" may settle any loss with "you", the owner of or the lienholder of the property.

No Benefit to Bailee

The insurance provided under this Part D shall not directly or indirectly benefit any insurance company or other bailee for hire.

Other Sources of Recovery

If other sources of recovery also cover the loss, "we" will pay "our" share of the loss. "Our" share is the proportion that "our" limit of liability bears to the total of all applicable limits. However, any coverage "we" provide under this section with respect to a "non-owned auto", "temporary substitute auto" or "newly acquired vehicle" shall be excess over any other collectible source of recovery including, but not limited to:

1. Any coverage provided by the owner of the property;
2. Any other applicable physical damage insurance;
3. Any other source of recovery applicable to the loss.

Appraisal

- A. If "we" and "you" do not agree on the amount of loss, either party may make a written demand for appraisal. However, both parties must agree to utilize the appraisal option. In the event both parties agree to the appraisal option, each party will select an appraiser within 20 days. The two appraisers will select an umpire within 15 days. The appraisers will state separately the actual cash value of the property and the amount of loss. If they fail to agree, they will submit their differences to the umpire. The umpire will make an award within 30 days after the umpire receives the appraiser's submissions of their differences. A decision agreed to by any two will be binding. Each party will:
 1. Pay its chosen appraiser; and
 2. Bear the expenses of the appraisal and umpire equally.
- B. "We" do not waive any of "our" rights under this policy by agreeing to an appraisal.
- C. No dispute as to coverage under this Part D shall be subject to appraisal.

Additional Duties after an Accident or Loss

- A. A person seeking coverage under this Part D must also:
 1. Permit "us" to inspect and appraise the damaged property before its repair or disposal.
 2. Subject to the forgoing inspection requirement, take reasonable steps after loss to protect the property from further damage.
- B. For any loss payable under this Part D, "you", the owner of the damaged or stolen vehicle, and any person operating that vehicle with permission from "you" or the vehicle owner must attend any Examination Under Oath requested by "us". The failure of any person to attend such an Examination Under Oath shall invalidate all coverage under this Part D as to all persons for that loss.

Loss Payable Clause

If a Loss Payee is shown on the "Declarations" for an "insured vehicle" any amount paid under this Part D for loss or damage to that vehicle shall be paid, as interest may appear, to "you", and that Loss Payee. However, payment to a licensed auto repair facility shall be considered payment to "you" and the loss payee. Any amount payable under this Part D for loss or damage to a "non-owned auto" shall be paid to the vehicle owner. The Loss Payee has no greater rights under this policy than "you" or the vehicle owner. Where coverage is denied to "you" or the vehicle owner, coverage is also denied to the Loss Payee.

"We" reserve the right to cancel the policy as permitted by policy terms and the cancellation shall terminate this agreement as to the loss payee's interest. "We" will attempt to give the same advance notice of cancellation "we" give to the named insured to any Loss Payee shown on the "Declarations". However, the failure of the Loss Payee to receive that notice, for any reason, shall not invalidate the cancellation as to "you" or the Loss Payee.

When "we" pay the Loss Payee "we" shall, to the extent of payment, be subrogated to the Loss Payee's rights of recovery.

If the laws of "your" state, the state in which this policy was issued, or the state in which any loss payable under this Part D has occurred, requires payment to the Loss Payee in excess of that specified by the terms of this Part D, "you" agree to reimburse "us" to the extent of such payment.

Notwithstanding the deductible amount shown in the Declarations, the applicable deductible for any loss for which payment is made to the loss payee who has repossessed and obtained title to your "covered auto" shall not exceed \$250. Upon payment of such loss you will pay us the difference between that \$250 and the deductible amount shown in the Declarations.

Part E: Duties after an Accident or Loss

"We" have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- A. "We" must be given prompt notice of any loss; including how, when, and where the loss or "accident" occurred. The names, addresses, and telephone numbers of any "covered persons", injured persons and of any witnesses must also be included in the notification.
- B. If "you" or the person seeking coverage cannot identify the owner or operator of a vehicle involved in the "accident", or if theft or vandalism has occurred, "you" or the person seeking coverage must notify the police within 24 hours or

as soon as practicable. In the case of a total theft of a vehicle, when requested by "us", "you" and any other person seeking payment under Part D must complete, sign, have notarized and return to "us" an affidavit of theft of "our" selection. The unreasonable failure to do so within sixty (60) days of "our" request shall invalidate and bar all claims under Part D; including, but not limited to, the claims of any lien holder or loss payee.

- C. A person seeking any coverage under this policy must:
 1. Cooperate with "us" in any matter related to any claim or lawsuit.
 2. Allow "us" to take signed and recorded statements, including sworn statements and examinations under oath, which "we" may conduct outside the presence of "you" or any other person seeking coverage, and answer all reasonable questions "we" may ask as often as "we" may reasonably require. These examinations shall take place within the same county as the address listed on the "Declarations."
 3. Provide proof of loss in writing that "we" may reasonably require.
 4. Promptly provide "us" any demands, notices, or other legal papers received by "you" or any person seeking coverage under this policy.
 5. Any person seeking uninsured motorist coverage under this policy must promptly send "us" copies of all legal papers if a suit is brought.
 6. Submit, as often as "we" reasonably require to physical and psychological examinations by physicians "we" select. "We" will pay for these examinations.
 7. Authorize "us" to obtain medical reports and any other pertinent records "we" request.
- D. If applicable, a person seeking Personal Injury Protection Coverage must also:
 1. Give "us" written proof of claim, under oath if required. The proof of claim must include complete details of the nature and extent of the injuries and treatment received and contemplated; along with any other information which may assist "us" in determining the amount due and payable.
 2. At "our" request, furnish "us" with a sworn statement of earnings for the "covered person" since the date of the "accident" and for a reasonable time before the "accident."
 3. Promptly send "us" copies of the summons, complaint and all other legal papers served in connection with any legal action taken, to recover damages for "bodily injury", against a person or organization who is or may be legally liable.

Policy Period and Territory

This policy applies only to “accidents” and losses occurring during the policy period shown on the “Declarations” that occur within a state, territory, or possession of the United States of America, or Canada. This policy also applies to loss to or “accidents” involving an “insured vehicle” while being transported between their ports.

Bankruptcy

Bankruptcy or insolvency of a “covered person” shall not relieve “us” of any obligations under Part A Liability Coverage of this policy.

Affirmative Duties

By acceptance of this policy, “you” affirm and agree that:

1. This insurance policy is issued in reliance upon “your” statements made in the insurance application;
2. “Your” statements made in the insurance application are true and complete;
3. “Your” statements made in the insurance application are incorporated into and form a part of this insurance policy;
4. “Your” statements as reflected on the “Declarations” and all endorsements, are incorporated into and form a part of this insurance policy;
5. The insurance application, “Declarations” and all endorsements, are incorporated into and form a part of this policy;
6. This insurance policy embodies all agreements existing between “you” and “us”, and
7. “You” have the affirmative duty to advise “us” in writing of any change in circumstance or in the information “you” supplied to “us” on “your” application within thirty (30) days of that change. The failure to do so may invalidate coverage if that undisclosed change has a material impact upon a risk insured by this policy.

Changes

This insurance policy contains all the agreements between “you” and “us”. Its terms may not be changed or waived except by endorsement issued by “us”. Any changes to the information used to calculate the insurance policy premium, may result in an adjustment to “your” premium. Examples of changes made during the policy period that may affect “your” premium include, but are not limited to:

1. The place of principal garaging of “insured vehicles”;
2. The number, type or use classification of “insured vehicles”; and
3. Operators using “insured vehicles”;

“We” reserve the right to adjust premium in accordance with “our” filed rates and rules based

upon information obtained from “you” or others. If “we” broaden coverage under this edition of “your” policy without additional premium charge, it will automatically apply to “your” policy as of the date “we” implement the change in “your” state.

Fraud

“We” do not provide coverage for any person seeking coverage who has made false or fraudulent statements or engaged in fraudulent conduct in connection with:

1. The application for this insurance policy,
2. Any renewal of this insurance policy,
3. Any endorsement to this insurance policy,
4. Any reinstatement of this insurance policy, or
5. Any claim, “accident” or loss for which coverage is sought under this insurance policy.

“We” do not pay for any injury, loss or damage which results from an act committed by or at the direction of “you,” a “family member” or any “covered person” with the intent to cause any injury, loss or damages; even if such injury, loss or damage materially differs from that intended. A denial of payment under this provision also results in a denial of payment to any lienholder, additional interest, fractional owner or joint owner; regardless of whether that person or organization is listed on the “Declarations”.

Legal Action Against Us

Legal action may not be brought against “us” without full compliance with all terms of this insurance policy. Furthermore, legal action may not be brought against “us” under Part A: Liability Coverage of this policy until a court has determined that the “covered person” has an obligation to pay and the amount of that obligation has been determined by judgment. No person or organization has the right to file legal action against “us” under the Liability Coverage of this policy prior to a court finding a “covered person” liable for damages. Any legal action against “us” must be brought in the state in which this insurance policy was issued. Any legal action against “us” shall be governed by the laws of the state in which this policy was issued.

Our Right to Recover Payment

Each “covered person” must assign to or hold in trust for “us” all rights of recovery against responsible any person or organization after “we” have made payment to any “covered person”. No “covered person” shall prejudice “our” rights to recover against another person or organization. When “we” request, a “covered person” shall do whatever is necessary to enable “us” to exercise “our” rights to recover.

If a “covered person” recovers from anyone without “our” written consent, the “covered person’s” right to payment under any applicable coverage will no longer exist. If a “covered person” recovers from another and from “us”, the amount recovered from

another will be reimbursed to “us” to the extent of “our” payment. “We” may pursue legal action to recover that amount from the “covered person” if “we” are not reimbursed.

If “we” certified this policy as future proof of financial responsibility, this policy shall comply with the law to the extent required. “You” and any other “covered person” must reimburse “us” if “we” make a payment that “we” would not have made if this policy was not certified as proof of financial responsibility.

Cancellation

The “named insured” may cancel this insurance policy by giving “us” advanced written notice of his or her desire to cancel the insurance policy and the future date on which the cancellation is to take effect.

If this insurance policy has been in effect for less than 60 days and is not a renewal policy, “we” may cancel this policy for any reason not prohibited by law by issuing a notice of cancellation to the “named insured” shown on the “Declarations” at the last known address appearing in “our” records. “We” will provide at least 10 days notice during this period.

If this insurance policy has been in effect for 60 days or more, or this is a renewal or continuation policy, “we” may cancel by issuing a notice of cancellation to the “named insured” shown on the “Declarations” at the last known address appearing in “our” records. “We” will provide at least 10 days notice of cancellation if the insurance policy is cancelled for nonpayment of premium or 30 days notice for all other cancellations.

After this insurance policy is in effect for 60 days, or if this is a renewal or continuation policy, “we” may cancel only for one or more of the following reasons:

1. for nonpayment of premium; or
2. loss of driving privileges during the policy period, through suspension or revocation of an operator’s license issued to “you”, a resident of your household or any “regular operator”.
3. material misrepresentation or fraud in the procurement or renewal of this insurance policy, or in the submission of any claim under this insurance policy.
4. any other reason permitted by law.

Nonrenewal

“We” may non-renew for any reason not prohibited by law. If “we” decide not to renew or continue this policy, “we” will mail notice of nonrenewal to the “named insured” shown on the “Declarations” at the

last known address listed in “our” records. Notice will be mailed at least 30 days prior the end of the policy period.

Automatic Termination

If “we” offer to renew and “you” or “your” representative do not accept, this policy will automatically terminate at the end of the current policy period as shown on the Declarations. A failure to pay the required renewal premium when due shall mean that “you” have not accepted “our” offer to renew. If “you” obtain other insurance on an “insured vehicle”, any insurance provided by this policy will terminate as to that “insured vehicle” on the effective date of the other insurance.

Other Termination Provisions

If the law in effect in “your” state at the time this policy is issued, renewed, or continued permits, “we” may deliver any notice instead of mailing it. Proof of mailing of any notice shall be sufficient proof of notice. If this policy is canceled, “you” may be entitled to a premium refund. If so, “we” will send “you” the refund. Refunds of less than \$5.00 will be waived unless requested in writing by the “named insured”. Premium refunds are calculated on a pro rata basis. The effective date of cancellation stated in the notice shall become the end of the policy period. If “your” policy cancels, for any reason, partial payment(s) will not reinstate or extend “your” policy coverage beyond the effective date of the cancellation. If “your” policy has expired and a renewal has been offered “we” will not accept partial payment(s) for said renewal to extend coverage.

Transfer of Your Interest in This Policy

No person may transfer or assign their rights or duties under this policy or arising therefrom without “our” written consent. If the “named insured” dies, coverage will be provided to a surviving spouse if a resident of the “named insured’s” household at the time of the “named insured’s” death. Coverage will also apply for the operation of an “insured vehicle” by the legal representative of the “named insured” while acting as such. Coverage will terminate at the end of the policy period.

Our Right to Recompute Premium

We established the premium for this policy based on the statements you made in the application for insurance. We have the right to recompute the premium if we later obtain information which affects the premium calculation.

Electronic Signatures

“You” and “we” agree that electronic signatures may be used and will satisfy any regulatory or other requirement for written signatures. When a law requires a signature or letter to be notarized, verified or acknowledged or made under oath, the electronic

signature will satisfy this requirement if the signature of the person authorized to perform the service notarizing, verifying, or acknowledging is attached to or logically associated with the signature of record.

Part G: Underinsured Motorist Coverage

The owner's or operator's liability for these damages must arise out of the ownership, maintenance, or use of an "underinsured motor vehicle" as defined by this policy.

"We" will pay under this Part G Underinsured Motorist Coverage only after the limits of liability for "bodily injury" under all applicable liability bonds and policies have been exhausted by the payments of judgments, settlements or a combination of both. However, this exclusion (B.1.) does not apply if such settlement does not prejudice our right to recover payment.
 2. While "occupying" "your" "covered auto" while being used as a public or livery conveyance, "Personal Vehicle Sharing Program" or "Commercial Ridesharing Program". - A. With respect to this Part G Underinsured Motorist Coverage:

Other Insurance

If another insurance company also provides Underinsured Motorist Coverage that is applicable to the same “bodily injury”, “we” will pay only our share

of the “bodily injury”; not to exceed the maximum set forth in the Limit of Liability provision above. Our share is, subject to the above Limit of Liability provision, the proportion that the limit of liability available under this Part G Underinsured Motorist Coverage for the “bodily injury” bears to the total of all such underinsured motorist insurance limits available for that “bodily injury”.
